CHILD CARE REFERRALS (R&R)

At Children's Resource & Referral, we can help guide you through the challenge of finding a child care arrangement that best suits your needs. We can explain the state licensing regulations, tell you about indicators of quality care and answers your many questions and concerns about child care.

You can also access the search widget: crrsbc.org/child-care-referrals

FINANCIAL ASSISTANCE FOR CHILD CARE

Do you need help paying for child care? The Alternative Payment Program (APP) may be able to help. Contact our Eligibility Specialist to determine if you qualify.

WINGS PRESCHOOL

Our Mission is to provide a high-quality environment for all children in a safe, nurturing, and inclusive setting that builds a foundation for life-long learning.

Our Vision is a high-quality learning environment that promotes a community where all children feel included, nurtured, loved, respected and encouraged to develop to their fullest potential.

TRUSTLINE

An effective tool for parents to check the backgrounds of a caregivers, nannies, tutors and in-home counselors to determine if an applicant has criminal convictions or substantiated child abuse reports in California.

OBTAINING A CHILD CARE LICENSE

Are you looking to open your own in-home child care business? Let our ECE Coaches guide you through the state licensing process. Through training, technical assistance, and FREE resources, CRR will help you every step of the way!

STEPS TO QUALITY NETWORK

Through the high-quality Professional Development offered through CRR, the Family Child Care Providers will be able to apply understanding of children's developmental needs and implement developmentally appropriate curriculum and strategies in their child care setting, while building a network of like-minded business owners to continue in support of one another. This Network of professional individuals provides opportunity for mentorships while developing and building their shared mission and values.

CHILD CARE INITIATIVE PROJECT (CCIP)

CRR provides educational activities, technical assistance, and ongoing support for individuals who are interested in becoming licensed child care providers.

Whether you are just beginning your journey to become a child care provider or if you have years of experience, our program on group training and individual support for caregivers who are interested in providing care for infants and toddlers.

QUALITY COUNTS

Our more experienced child care providers find value in participating in the state-funded Quality Counts program. By participating in Quality Counts, early and school-age care providers embark on a path of continuous quality improvement. CRR Quality Coaches can equip and facilitate the Child Care Provider in obtaining National Accreditation for Family Child Care. To learn more about how to participate, contact our Quality Coaching team.

EMERGENCY CHILD CARE BRIDGE

A time-limited program designed to increase the number of foster children successfully placed in home-based family care settings, increase capacity of child care programs to meet the needs of foster children in their care, and maximize funding to support the child care needs of eligible families.

CHILD CARE FOOD PROGRAM

If you are a Family Child Care Provider who serves nutritious meals and snacks to the children in your program, you may be eligible for reimbursement through the USDA's Child and Adult Care Food Program (CACFP). Contact an Operations Analyst today to enroll in the program.
