

Changing Tides Family Services

Connecting community to the resources they need to succeed!

Celebrating
50 years in
2025

Changing Tides Family Services is a non-profit committed to helping our community thrive. Since 1975, Changing Tides Family Services has helped to build a stronger, more resilient Humboldt by connecting families of all kinds to essential resources and services. Each day, Changing Tides Family Services makes it possible for thousands of families and individuals to maintain or increase their incomes, to keep family members living in their homes or community, and to enhance their physical, emotional, or developmental well-being. Changing Tides Family Services provides quality, community-based services that demonstrate the Agency's values: respect, integrity, excellence, health and wellness, flexibility, and fiscal responsibility.

Snapshot of Impact

Child Care

Affordable child care is critical to families being able to find work, earn a living, expand their opportunities, and actively participate as part of a thriving and healthy community. Child care is also where children start their education journey with the tools to succeed. Changing Tides Family Services assists families in learning about early learning and their child's development, finding the right child care provider to meet their needs, and signing up for the subsidized child care program that keeps high quality care within the reach of every family.

Other Community Impacts

As a family resource agency, we play a vital role in the community, offering individualized support to parents, guardians, child care providers, and local organizations. During emergencies, including natural disasters, R&R staff are on the front lines, coordinating with local partners, supporting the resiliency of families and child care providers, and advocating for state and federal resources. From free referrals for child care and other services, to parenting classes, food and nutrition, supplies, hot meals, and technical assistance, our team is dedicated to meeting the needs of our community.

In FY 23-24, we assisted:

\$8,300,120
