Programs & Services

Child Care & Family Resources

Alternative Payment Program (AP)

- Affordable child care allows parents to work and study, while their children are cared for in a safe environment.

Licensed Child Care Referrals

- Childcare referrals for parents to local child care centers & licensed family child care homes in our area.

Health and Safety

Trustline & Live Scan Fingerprint Services

- Background check and fingerprinting services for local businesses, schools and child care providers.

CPR/AED & First Aid Classes

- We host and offer CPR/AED & First Aid classes for the general public and child care providers needing to recertify or to initially obtain their certifications.

Low Cost Car Seats

- Purchase a safe car seat for your child at low cost and learn proper use of car seat.

Education

Resources & Referral Program (R&R)

- R&R provides free resources and child care referrals to local child care providers.
- Educating public on local child care issues.

Lending Library

- Allows parents & providers to check out games, toys, puzzles, books, DVD's and videos at no cost.

Trainings & Other Information

Babysitting Clinics

- Girls and boys grades 6 and above will receive information for babysitting including CPR/AED & First Aid training.

Licensing Assistance

- Staff will provide information on licensing requirements, assistance in completion of application materials and provision of resources for daily operation of child care program.

Monthly Activity Packets

- Monthly activity packets are mailed out and provide seasonal ideas for providers and parents.

OUR MISSION: Lassen Child and Family Resources strives to ensure that children and families in Lassen County have access to quality child care and other resources that will support the positive growth and development of children and enables families to thrive.
