Go Kids, Inc. was established in 1975 when it was awarded a grant from the city of Morgan Hill to provide early childhood education training to unemployed women from low-income backgrounds. Since its incorporation as a nonprofit in 1978, the agency budget and service area has continued to grow. Go Kids is now headquartered in Gilroy and provides services in the quad-county region of Santa Clara, San Benito, Monterey, and Santa Cruz. The agency's budget now exceeds \$95 million, and we have a long history of diverse funding that has included financial support from the Department of Social Services (DSS), the California Department of Education (CDE), United Way, various Foundations, and the First 5 Commission in each of the counties we serve. We are a nonprofit child development agency that envisions communities where every child has the support they need to reach their greatest potential. The mission of Go Kids is to enhance the lives of children and families through the delivery of comprehensive child development services and community involvement.

Go Kids now serves more than 5,100 children each year and operates seven licensed child development centers serving infants, preschool, and school-age children. One center operates seasonally for migrant families. The agency also maintains sub-contracts with over 100 licensed Family Childcare Homes (FCCH) and has extensive Alternative Payment capacity to provide families with options to meet their diverse needs. Go Kids coordinates a multi-disciplinary collaborative in Salinas to bring early intervention services to families with young children, operates the San Benito County Childcare Resource and Referral program, and provides fiscal services to other nonprofit organizations via GK Financial, the agency's social enterprise endeavor.
