UNLOCKING THE PROMISE
OF EVERY CHILD

AT A GLANCE

Options for Learning is a nonprofit child care and early learning agency that has been at the forefront of helping families break the cycle of poverty and improve their lives by providing tools to create a positive foundation for school, social, and life success since 1981.

ABOUT OUR PROGRAMS

SUBSIDIZED CHILD CARE VOUCHER PROGRAM

RESOURCE AND REFERRAL PROGRAM

Options for Learning's Resource and Referral Program assists families regardless of income in locating licensed child care free of charge. This program also provides training and support for child care professionals.

VOUCHER PROGRAM

Our Voucher Program serves as a resource for families and child care providers, including assistance with child care payments for a provider of choice, a food and nutrition program for licensed family child care providers, child development resources, and more!
