

Strengthening Families since 1980

Who We Are

Plumas Rural Services aims to empower and uplift communities through compassionate human services. We serve frontier rural Plumas, Lassen, Modoc and Sierra Counties in Northeastern California.

Impact in 2023-24

How we served Plumas County families last year...

- Women, Infants & Children (WIC) supported 204 children in 51 families with nutrition education, breastfeeding support, and healthy food benefits
- Child Care Payment Program helped 160 families afford child care for their 392 children
- 53 child care providers were supported in managing payment subsidies, gaining & maintaining license, and early screening for childhood delays through Child Care Payment Program, Child Care Resource & Referral, and Plumas STARS
- Family Empowerment Center and Early Start Family Resource Center provided 36 families and their 50 children with disabilities with advocacy and support
- Mindful Parenting classes supported 26 families involved with Child Protective Services
- Domestic Violence Services sheltered 10 children and supported an additional 4 children
- Visions youth development program served 34 youth ages 11-18 afterschool and in the summer
- 17 children received 4,600 hours of respite care from In-Home Respite Care services
