

## ROBO CALL Script

### **Parents:**

Child Care Links is calling you with a very important message. The payments made to your child care provider are at risk of being cut by as much as 25 – 30% because of the Governor’s proposal in the new California State Budget. Your child care provider may not be willing to accept these cuts and may require you to pay the difference. The governor is also proposing to reduce the income eligibility limits by almost 10%. Your Senator and Assembly members need to hear that you oppose these cuts to child care. Contacting them is as simple as a quick phone call just stating “I oppose any cuts to child care”. Your calls do make a difference. The state is in a very poor financial condition. Do not allow the Governor to balance the budget at your expense. Visit our website at [www.childcarelinks.org](http://www.childcarelinks.org) or call the Child Care Links office at 925-417-8733 for contact information for your Senator and Assembly members. Do not ignore this message. If these cuts occur, they will affect you and you could lose your child care.

### **Providers:**

Child Care Links is calling you with a very important message. The payments you receive for child care are at risk of being cut by as much as 25 – 30% because of the Governor’s proposal in the new California State Budget. The families you serve may not be able to afford to co-pay the difference. Your Senator and Assembly members need to hear from you that you oppose these cuts to child care. Contacting them is as simple as a quick phone call just stating “I oppose any cuts to child care”. Your calls do make a difference. The state is in a very poor financial condition. You work hard caring for the children enrolled on the subsidy programs. Do not allow the Governor to balance the budget at your expense. Visit our website at [www.childcarelinks.org](http://www.childcarelinks.org) or call the Child Care Links office at 925-417-8733 for contact information for your Senator and Assembly members. Do not ignore this message. If these cuts occur, they will affect you and the families you serve.
