

2014 Family Median Income (FMI) by County

Based on one adult and two children (ACS 2014 1-year estimate)

of counties where FMI is under \$55,000 – 24
of counties where FMI is under \$75,000 – 19
of counties where FMI is under \$100,000 – 11
of counties where FMI is over \$100,000 – 4

* **Background:** With the passage of Senate Bill 70, Chapter 7, Statutes of 2011, California Education Code (EC) sections 8263.1 (a) and (b) were amended to reduce the income ceilings to 70 percent of the SMI that was in use for the 2007–08 fiscal year, adjusted for family size.
