Unless otherwise stated, the CDSS program requirements herein shall supersede any prior CDE program requirements.

Those potentially affected by the policies shall be duly notified, as provided for in statute and regulation, and adhere to any due process requirements, if applicable.

 - b. All parties having a financial interest in the transaction should refrain from voting on the transaction and it should be so noted in the board minutes.
8. If the transaction involves the renting of property, either land or buildings, owned by affiliated organizations, officers or other key personnel of the contractor or their families, the board of directors shall request the interested party to obtain a "fair market rental estimate" from an independent appraiser, licensed by the California Office of Real Estate Appraisers that supports all reimbursable costs under the transaction.
 - a. A new "fair market rental estimate" for each change, adjustment or escalation to any reimbursable costs under a transaction is required.
 - b. If the contractor has no board or is a sole proprietor, the requirement for a "fair market rental estimate" shall also apply.
9. The contractor has the burden of supporting the reasonableness of rental costs. If the property is owned by the contractor, rental costs are not reimbursable and costs may be claimed only as depreciation or use allowance.
10. Any transaction described in this section shall be disclosed by the auditor in the notes to the financial statement in the annual audit. (*Uniform Guidance*, Subpart F)

Modifications to any contracts for \$10,000 or more shall also not be effective until approved in writing by the CDSS and any work in performance of such modification prior to the date of approval of the modification shall not be used as a claim against the state. 2. Prior to execution of a subcontract and commencement of work, the contractor shall submit two (2) copies of the proposed subcontract to the CDSS for approval, including a proposed line-item budget which shows the costs of the services to be performed. 8. Subcontracts which increase the contractor's cost of performance are non-reimbursable. Subcontracts which contain a provision for reimbursement for cost-plus-a-percentage-of-cost are not reimbursable.

F. Audit Requirements for Subcontracts (5 CCR 18032)

1. An organization that operates a childcare and development program under a direct service contract with the CDSS is called a contractor. The contractor may choose to enter into an agreement with another organization (subcontractor), where the subcontractor operates one (1) or more of the contractor's childcare and development programs. Consequently, an entity may be acting in the dual capacity of contractor and subcontractor for one (1) or more CDSS contractors – each having one (1) or more CDSS contracts. In some cases, a subcontractor may not directly contract with the CDSS.
2. The organization receiving funds from the state shall be responsible for obtaining the required financial and compliance audits of the organization and any subcontractors, except for subcontracts exempt from CDSS review, as agreed to by the Departments of Finance (DOF) and Department of General Services (DGS).
3. The audit of the subcontract shall be submitted to the CDSS as follows:

A. Contract Amount Adjustments (Applies to C2AP, C3AP) (5 CCR 18033, 18034)

Child Development and Nutrition Fiscal Services (CDNFS) shall conduct monthly analyses of caseloads and expenditures and adjust agency contract maximum reimbursable amounts and allocations as necessary to ensure that funds are distributed in proportion to need. Prior to such action, however, CDNFS will notify the contractor of the proposed action and the contractor will be given an opportunity to provide written documentation that demonstrates the CDNFS projections are inaccurate. Because of the need to transfer funds to an under-funded agency as quickly as possible, the contractor shall have three (3) working days from the date of notification to respond.

B. Reasonable and Necessary Costs (5 CCR 18013(s), 18033, 2 CFR 200.404)

Contractors may be reimbursed for actual costs that are reasonable and necessary to the performance of the contract. Reasonable and necessary costs are those costs that do not exceed what an ordinarily prudent person would incur in the conduct of a competitive business under the circumstances prevailing at the time of the decision to incur the cost, and whether the cost is of a type recognized as ordinary and necessary for the operation of the entity or the proper and efficient performance of the award. Consideration must be given to market prices for comparable goods or services for the geographic area.

C. Indirect Costs (5 CCR sections 18013(m), 18013(n))

1. If indirect costs are claimed, an indirect cost allocation plan must be on file with the contractor and available for review by the CDSS staff and auditors.
2. The maximum indirect cost rate shall be ten percent (10%) of the modified total direct costs.
3. For any non-federal entity that has a negotiated indirect cost rate, which includes all school districts and county offices of education, the maximum indirect cost rate shall be the lesser of the negotiated indirect cost rate or ten percent (10%).
4. This rate is applied to budget categories 1000-5000 only in determining the maximum amount of indirect costs that are reimbursable under the contract.
5. The amount of cost allocable to this contract shall not exceed the benefits to this contract. The allocation method must quantify this benefit among all similar programs and then distribute the costs accordingly.

6. The indirect cost rate shall not include consideration of any costs otherwise non-reimbursable. If depreciation or use allowance is included in the indirect cost rate, such allowance shall not be claimed on the asset as a direct cost.

D. Administrative Costs (WIC 10302, 5 CCR 18013(c))

1. Contractors may claim administrative costs, as defined in 5 CCR 18013(c), which are related to the administration of the childcare and development program.
2. Reimbursement of administrative costs shall not exceed fifteen percent (15%) of the net reimbursable program costs or actual administrative costs, whichever is less.
3. The fifteen percent (15%) includes any allowance for indirect costs and audits. Contractors shall maintain written documentation of the rationale used in determining direct and administrative costs.

E. Service Level Exemption (Start-Up) for New or Expanded Programs (WIC 10300)

1. Allowable start-up costs will be in an amount not to exceed fifteen percent (15%) of new or expansion funding authorized in the Budget Act for State Childcare and Development Programs. *WIC 10300(a)*
2. Start-up costs must be necessary for the establishment and stability of new childcare and development programs [*WIC 10300(c)*] and include:
 - a. Employment and orientation of necessary staff;
 - b. Setting up of the program and facility;
 - c. Finalization of rental agreements and necessary deposits;
 - d. Purchase of a reasonable inventory of materials and supplies; and
 - e. Purchase of an initial premium for insurance.
3. Contractors shall maintain an auditable record of start-up costs which shall be included within the audit at the end of the year.
4. Reimbursable start-up costs shall occur prior to attainment of full enrollment.
5. If all or part of the fifteen percent (15%) allowable start-up costs is needed and spent, that portion will not have to be earned through provision of services.

6. If the contractor neither needs nor chooses to claim any of the fifteen percent (15%) start-up costs, the full service requirements shall be earned at the contract rate.
7. Migrant childcare and development agencies operating on a seasonal basis shall be reimbursed up to fifteen percent (15%) of the contract amount annually for approved start-up and close-down costs associated with starting up and closing down agency operations to correspond with periods of service needed by migrant families as specified in *WIC 10238(b)*.

F. Costs for Travel and Per Diem & Restrictions (WIC sections 10280 and 10285; GC 11139.8, , 5 CCR 18031, 18034, and 18041)

1. Upon receipt of the June final report, preliminary reserve amounts will be calculated by CDNFS and reported to the contractor. If the contractor is an LEA, this may be the official notification provided there are no further amendments. For agencies required to submit an audit to the CDSS, the amount will not be final until the audit is closed by the OAS and there are no outstanding billings.

- f. Participating agencies must submit a Reserve Account Activity Report with a copy of their supporting General Ledger for each reserve account category type along with their June attendance and fiscal report due July 20. 2. The contractor shall attempt to resolve contract disputes at the lowest staff level within the CDSS.

 - l. Failure to pay salaries owed to employees, or pay federal payroll tax, for more than fifteen (15) days after the employee salaries, or federal payroll taxes were due, unless the failure is attributable to a delay in receiving apportionments from the state.

- m. Contractors that have in place or who place a person in a position of fiscal responsibility or control who have been convicted of a crime involving misuse or misappropriation of state or federal funds, or a state or federal crime involving moral turpitude, may have its contract terminated if there is documented evidence of the conviction, and upon review and recommendation of the general counsel of the CDSS.
 - i. For purposes of this section, “position of fiscal responsibility or control” includes any authority to direct or control expenditure of, or any access to, state or federal childcare and development funds received pursuant to this section whether that authority or access is conferred based on the person’s status as an employee, director, manager, board member, or volunteer, or based on any other status.
 - ii. If the agency provides evidence to the CDSS, before the effective date given in the notice of immediate termination, that the convicted person has been removed from the position of fiscal responsibility or control and provides assurance that the person will not be returned to a position of fiscal responsibility or control, the CDSS shall withdraw the termination action.

2. A contractor whose contract is immediately terminated retains appeal rights.

2. Any action by the CDSS to terminate a contract, other than to terminate a contract on an immediate basis or to take action to deny the contracting agency more than four percent (4%) or twenty-five thousand dollars (\$25,000), (whichever is less), of an agency's contract or to demand remittance of an overpayment of an agency's contract of more than the same amount, as stated in *W/C 10392(a)(1)* through (3), shall be preceded by a ninety (90) day notice of the action, stating the specific reasons for the action and describing the contractor's appeal rights.  - iii. Admit any of the charges in the action in whole or in part;
 - iv. Object to the action upon the grounds that, under the circumstances, compliance with the requirements of a regulation would result in a material violation of another regulation enacted by another department affecting substantive rights.
2. Failure To Submit a Timely Notice of Defense or Appeal Petition or Proceed with Appeal

If a contractor is served a notice of action and fails to properly file a notice of defense/appeal petition, or files a notice of defense/appeal petition, but fails to appear at the appeal hearing, action may be taken by the CDSS (or by the Administrative Law Judge for failure to appear at the hearing) based upon the contractor's express admissions or other evidence and affidavits without any notice to the contractor. Notwithstanding the default, the CDSS or the OAH may, before a proposed decision is issued, grant an appeal hearing on reasonable notice to the parties. If the CDSS issues a default decision against the contractor, it must serve notice of that decision on the contractor and the contractor has seven (7) days after service to request that the decision be vacated stating the grounds relied on. The CDSS, in its discretion, may vacate the decision and grant a hearing on a showing of good cause.

3. The Decision

The hearing officer shall issue a final decision, in writing, within thirty (30) calendar days after the submission of the case. The decision shall be sent by registered mail or personally served on the representatives of the parties by OAH. The decision shall be the final administrative action afforded the contractor.

4. Settlement between the Parties

The CDSS and contractor may, at any time before or after issuance of a notice of action, agree to a settlement of the actions. The settlement terms, as agreed to by both parties, are to be incorporated into a stipulation and waiver

decision that is approved by the CDSS agency head or his or her designee and issued by the CDSS. The decision shall be the final administrative action afforded the contractor.

5. Request for Additional Written Materials on File at CDSS

Contractors may request, in writing, any public documents on which the CDSS intends to rely from the CDSS files at a cost of fifteen cents (\$.15) cents per page, payable in advance. The CDSS will mail the material requested not later than ten (10) days from the receipt of the request.

1. Contract performance shall be reviewed at least annually by CDSS staff who shall determine by April 1 of each year whether to offer continued funding on a clear contract, continued funding on a conditional basis or to make no offer of continued funding.
2. If the staff recommends conditional status or no offer of continued funding, the contractor shall be notified in writing of the reasons for the proposed change in contract status by April 7. The notice of proposed action shall be sufficiently specific to allow the contractor to respond to the factual basis for the proposed action.
3. If the contractor disagrees with the proposed action, the contractor's response shall be received by the CDSS within ten (10) calendar days of receipt of the notice of proposed action. 7. At the oral presentation, the contractor or the contractor's representative will have an opportunity to explain any material submitted in its response. While the contractor may present any information or arguments that are relevant to

the proposed action, the review panel may set reasonable limits on the scope of the presentation.

8. Within seven (7) calendar days after the oral presentation, the review panel shall issue and mail to the contractor a decision upholding, reversing or modifying the proposed change in contract status. The decision of the review panel shall be the final action of the CDSS with regard to that contract.

B. Conditional Status Imposed During the Contract Period (5 CCR 18304)

1. If the contractor demonstrates fiscal or programmatic noncompliance during the contract period, based on such information as an annual audit report, a FPM/CMR, or a change in licensing status, the CDSS may place the contract on conditional status for the remainder of the contract period.

 - b. The specific corrective action(s) which must be taken;
 - c. The time period within which the contractor must complete the corrections; and

D. Duration of Conditional Contract Status (WIC 10397(a)(3) and 5 CCR 18307)

1. Failure to demonstrate substantive progress toward fiscal or program compliance within six (6) months of being on conditional status shall constitute a breach of contract and may subject the contract to termination for any applicable cause specified in WIC 10398 or 10400 in accordance with WIC 10392. Regardless of whether the contractor complies with the terms of the Conditional Status Addendum, the contractor's contract may not be renewed the following year pursuant to the procedures set forth in the FT&C Section IX, *Appeals, Termination, and Non-Renewals*.
2. A contractor with a repayment plan shall remain on conditional contract status and not receive any apportionments until full repayment is made.
