Sponsorship Opportunities

On January 22, 2020, over 30 organizations will be coming together at the State Capitol to lift up the issues impacting child care and ending child poverty in California, during the "Child Care and End Child Poverty in CA Advocacy Day".

This is a day that we will link arms, in a shared voice to put focus on the needs of California's poorest families and children; needs that when addressed lift families out of poverty. The messages of the day will be to show our appreciation to legislators for the funding and supports secured in 2019, but also to provide the data of the existing and growing unmet need that still exists. This year's event will be bigger than ever before!

We have many areas for sponsorship and have some parents and providers looking for sponsorship so that they can participate. Your sponsorship of this event would be greatly appreciated and your organization will be recognized for your contribution on all event promotions, weekly newsletters leading up to the event, and on event materials & signage. Thank you!
