

Child Care & End Child Poverty in CA **VIRTUAL** Advocacy Day

June 4, 2020

Sponsorship Opportunities

On June 4, 2020, organizations representing child care, food programs, safety net, and ending child poverty will come together for our first virtual “Child Care and End Child Poverty in CA Advocacy Day”. In the past few months, our landscape has shifted significantly. As we navigate what appears to be our new normal as California recovers from the devastation caused by COVID-19, now more than ever we need to come together to raise our unified voices and support California's kids and families. On June 4th, we'll advocate for budget proposals that keep families fed, keep child care providers open, and commit to lifting families out of poverty. Due to the COVID-19 pandemic, unmet need is growing exponentially, yet California is facing an unprecedented budget deficit: we need our decision makers in Sacramento to hear from the field on the impact of this pandemic, and what supports need to be improved during recovery.

If you are interested in sponsoring our virtual advocacy day, we welcome your tax deductible donation. Your donation will help fund an ongoing series of advocacy efforts as we work together to rebuild California following the COVID-19 pandemic. Thank you!
